RE: Request for Quotes–IG & HY Credit Research -
Addendum #1 – Q&A

Please see the below from the Question and Answer period:

Q. Will the DOI consider quotes for research on specific fixed income sectors, or do all firms need to provide the full suite of research services?

A. The DOI is cognizant that some quotes will not entail the full suite of research services elaborated on in the RFQ and will consider quotes for research on specific fixed income sectors.
